DOCKETED BY

Good afternoon,

My name is Bob Scherzi and I am a resident of The Lakes @ Rancho El Dorado located in Maricopa AZ. I would like to comment on the Global Water Rate Increase hearing scheduled for July 27 and July 28 case numbers as follows:

SW-20445A-09-0077
W-20446A-09-0080
W-02451A-09-0078
W-02450A-09-0081
W-01732A-09-0079
W-01212A-09-0082

At this time I request that this case not go forward as is and allow Global Water to raise the rates to the average homeowner over \$30.00/month and who knows how much more to our HOA fees to cover just the basic irrigation

fees for reclaimed water. While I do not begrudge Global Water investors a profit, to go from 3-4 % to 8% on the backs of the customers with no significant increase to product delivered and service is just not right. For someone like myself and my wife, on a fixed income in this down economy, this increase will be a significant burden. Just speaking for myself my monthly bill will increase to the tune of 40-50% and I am sure others are in the same boat!

I ask you to consider folks like myself who will feel this rate increase monthly and not let it go forward as is.
